### WORK DAY SCHEDULED FOR SATURDAY JUNE 17<sup>TH</sup>, 2023:

On Saturday, June 17<sup>th</sup> the club will hold a workday (half day) beginning at 8:00 a.m. ending around 12 Noon. We need to cut back some overhanging tree branches on the 100 yard rifle range left side berm and clear the fence line of vines and overhanging growth that will interfere with the holding areas for the parents of the Rodeo Assn's Light Rifle Match participants. We'll also be moving some rifle racks from the pistol pits to the 100 yard rifle range. If you can come out to help, please let me know in advance so we don't have too many folks show up. [President@marionroad.com](mailto:President@marionroad.com).

You must sign up for this workday in advance in order to receive credit for completing this year's work requirement. If you've already come out for a workday, please consider helping us again.
